

*the old rules are crumbling and nobody knows what the new rules are. so*

## **MAKE UP YOUR OWN RULES**

*(you have no idea what you are doing. this is great. if you don't know it's impossible it's easier to do)*

**if you have an idea, just do it**  
*stop when it feels like work*  
**learn to say no**

*life is sometimes hard. if you're making mistakes, it means you're out there doing something. i hope you'll*

# MAKE MISTEAKES

and when things get tough,  
this is what you should do:

## **make good art**

*make it on the good days too. learn that not every project will survive*

**be wise**

**because the world needs more wisdom**

*(if you cannot be wise, pretend to be someone who is & behave like they would)*

**break rules**

*leave the world  
more interesting  
for your being here*

and now go, and make interesting mistakes, make amazing mistakes

## **MAKE GLORIOUS AND FANTASTIC MISTAKES**

*let go, enjoy the ride*
